

RFCQ CQ2014-023 Automated Proofreading & Plagiarism Tool

Vendors	
	Grammarly, Inc.
Price per license per student for Secondary school:	\$30,808 (\$1.499 per student)
Price per license per teacher	\$0.00
Price per license per administrator staff member	\$0.00
Does your company offer trainings? Webinars? Face-to-Face? Please explain.	Yes, Grammarly will offer training webinar.
Are there any costs for trainings?	No, trainings are offered free of charge.
Please explain how implementation will work should your company get awarded the contract.	Setting up a Grammarly@edu account is extremely easy: you will be provided with an access code, just instruct your students and faculty to use the access code when creating a new account at www.grammarly.com/edu . It will be a multi-use access code, so you can share it with all potential users within United ISD.
Will you be available for a webinar should the Evaluation Comitee request one?	Yes
